SAVE on garage floor repair costs & cleaning.

PROTECT your floor coating and/or concrete garage floor.

CONTAIN harsh elements for a safe garage.

PREVENT mold from vehicle moisture running into garage walls.

UPHOLD the value of your items and home.

CONTAINMENT MAT

LIFE CAN BE MESSY. YOUR GARAGE DOESN'T HAVE TO BE.

Let's face it, Mother Nature throws a lot at us. Whether it's rain, snow, mud, sleet and everything else those elements collect, it's hard to keep your garage clean. We can help. Garage Floor Shield protects your garage floor from it all, including:

- ✓ dirt/mud/debris
- ✓ water/snow/sleet/slush
- ✓ road salt
- ✓ contaminants
- ✓ oil, car leaks, fluids and waste

SERVES ALL CUSTOMERS

The Garage Floor Shield serves both residential and commercial spaces. Our containment mat can contain any kind of liquid or waste, and is suitable for shop owners, garage enthusiasts, farmers, acreage owners, equestrian communities and hunters.

SIZES AVAILABLE:

7'8" X 16'

7'8" X 18'

8' X 21'

INSTALLATION:

- Clean the garage floor before installation to remove any debris.
- Safely remove the mat from the packaging with scissors to prevent damage to the mat.
- Place the mat on the desired location on the garage floor and roll out.
- Allow time for the mat to take shape and relax folds.

MAINTENANCE:

- Clean with a dry or wet vacuum, broom, garden hose, or squeegee. Another option is to overturn the mat to empty the contents.
- Refrain from studded tires on the mat.

2 year limited warranty.
